

Project Scope

- RR insulation stator coils with winding kits
- Class F materials for durability
- Manufactured in just 15 days
- 12-month performance guarantee

Tested for Performance

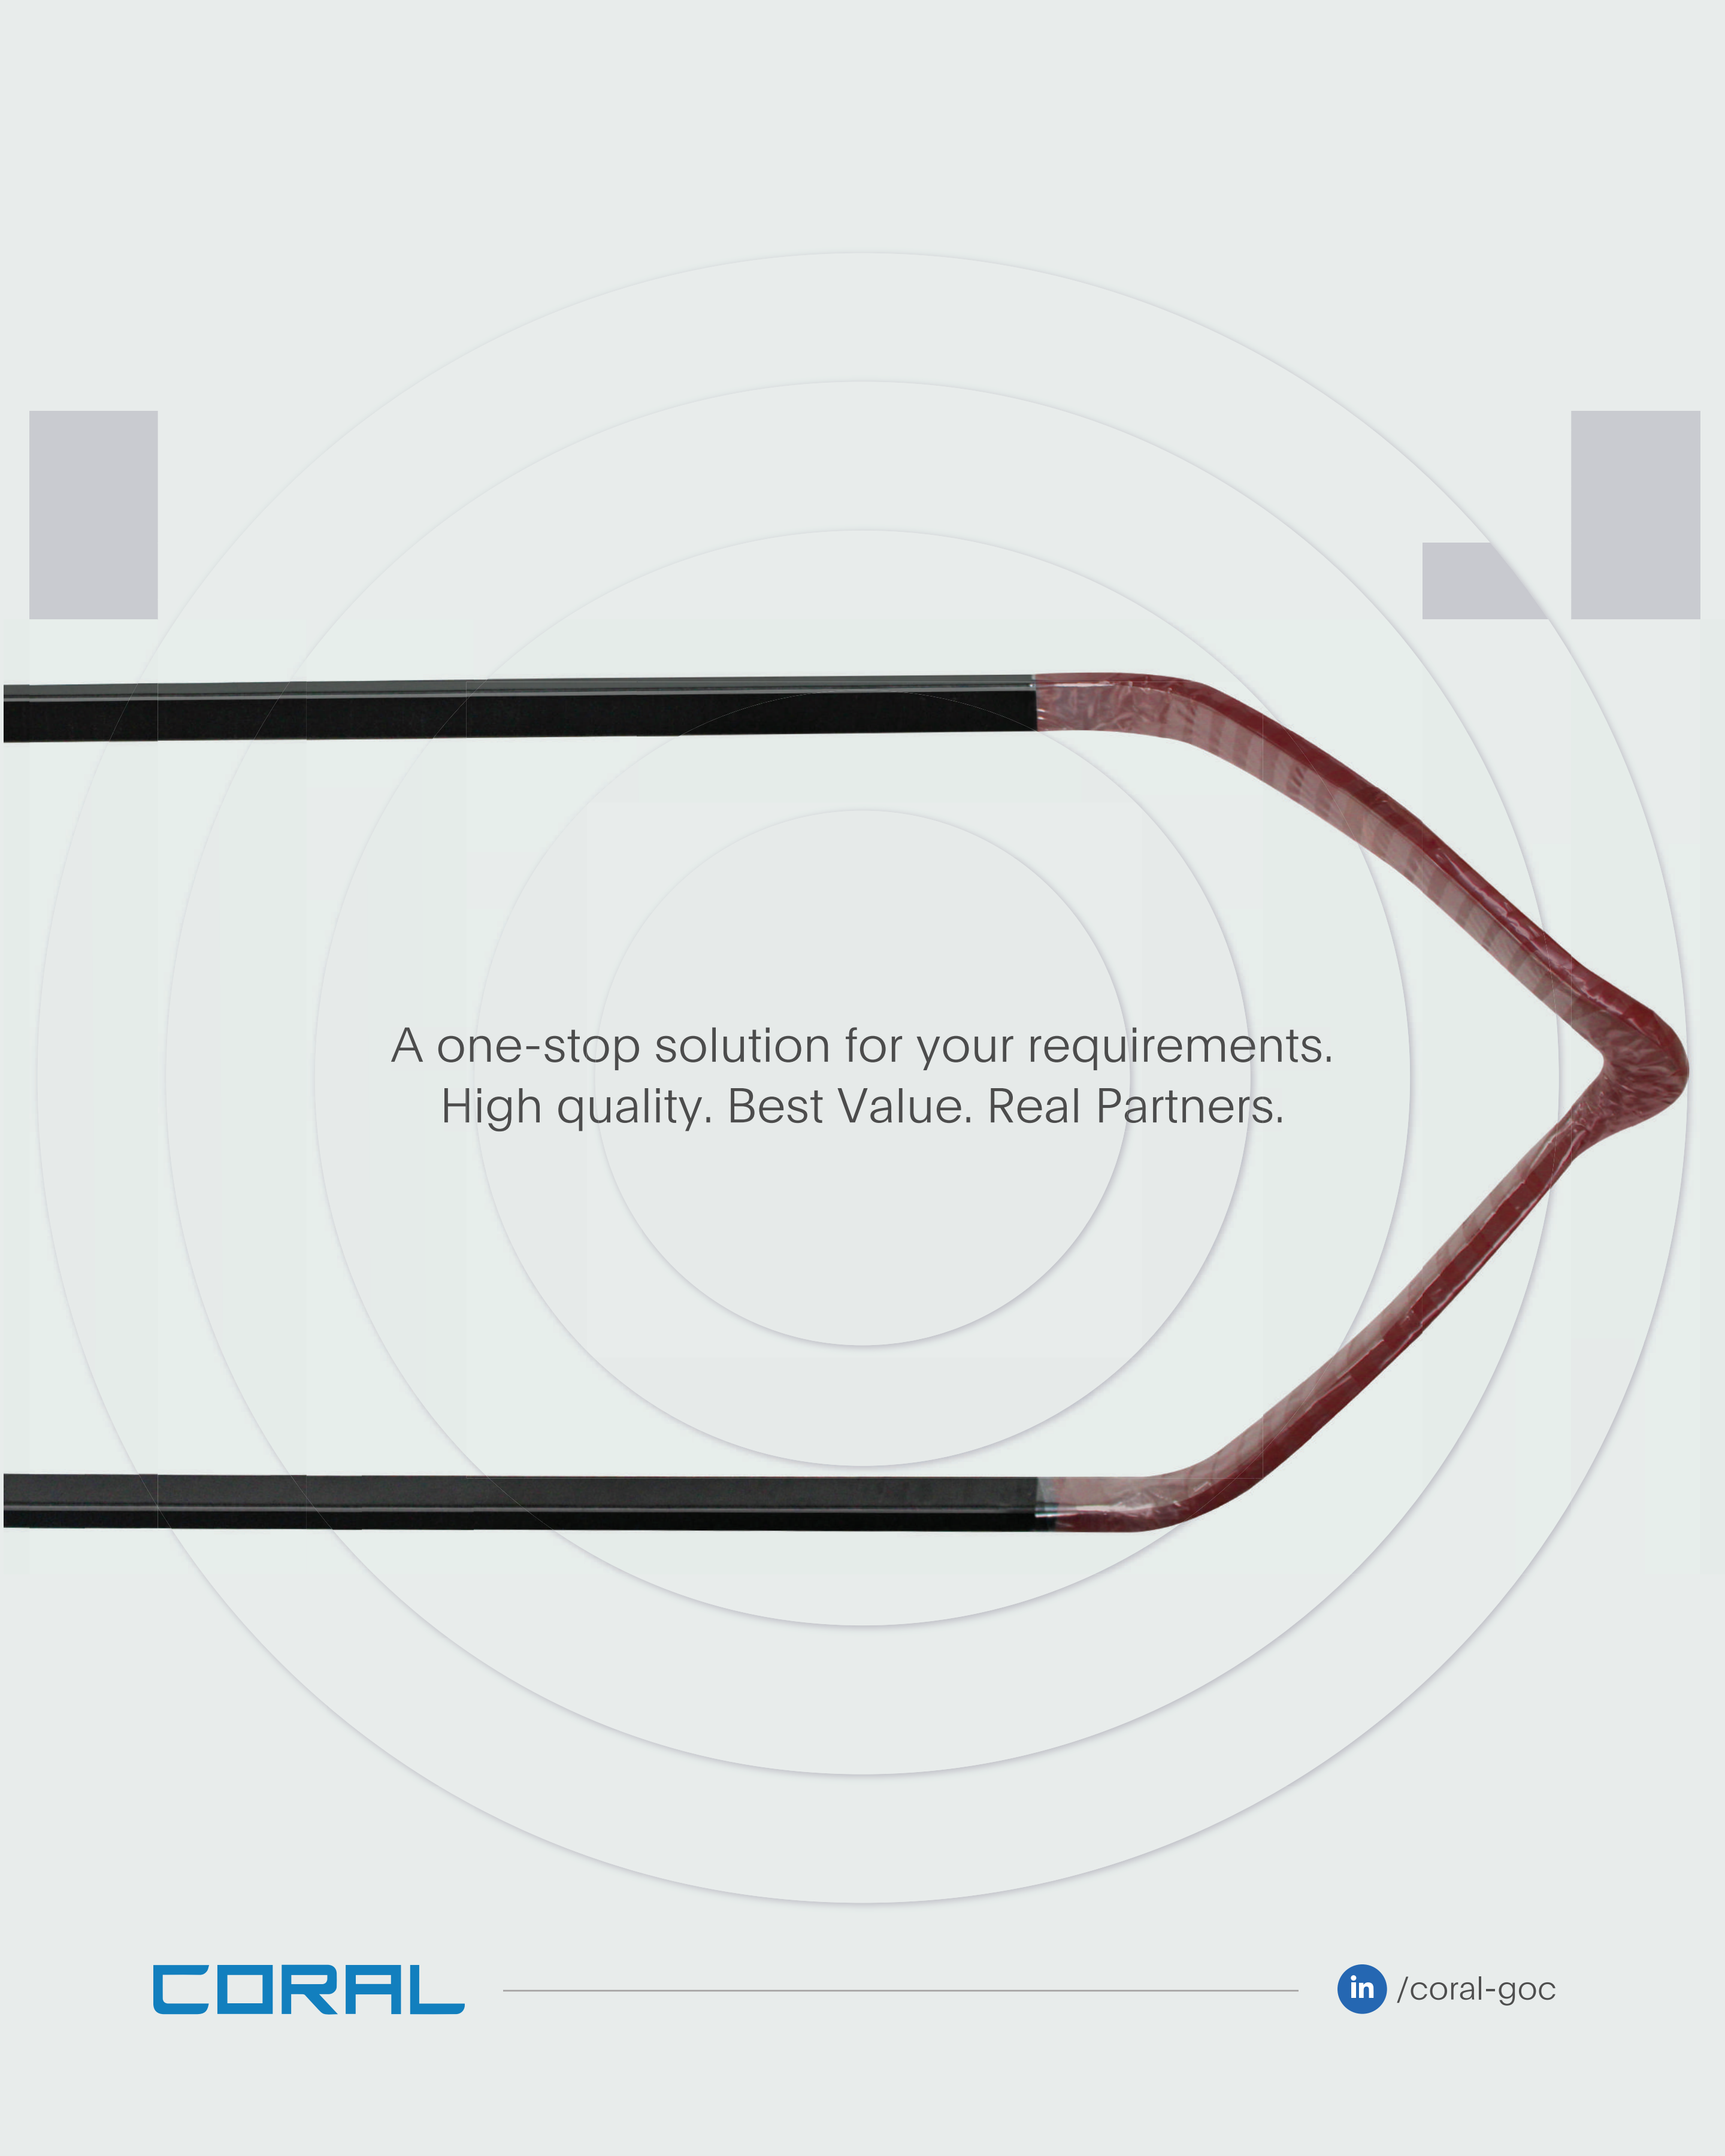

- Dimensional Checks
- Coil Resistance Measurement
- IR Value at 5000V
- AC HV Test at 20KV
- Surge Comparison Test
- HV/HF Interturn Test
- Tan Delta Test

Each coil meets the highest industry benchmarks, ensuring superior performance in real-world applications.

Project Status: Delivered & Done!

With a tight deadline, rigorous testing and flawless execution, the coils have been successfully supplied to the end customer.

A one-stop solution for your requirements.
High quality. Best Value. Real Partners.
