

What went into this project?

- 66 high-performance GVPI coils
- Voltage: 1050 KW, Power: 6600 Volts
- Manufactured & supplied in 15 days
- Backed by a 12-month guarantee

Testing & Quality Checks

- Precision Dimensional Checks
- Coil Resistance Testing
- Insulation Resistance
- AC HV Test
- Surge Comparison & HV/HF Interturn Tests

Where are we now?

- Coils Successfully Delivered
- Rewinding Completed at Coral Rewinding Unit
- Final Testing Underway

Another project that illustrates Coral's commitment to delivering precision, speed and reliability in the world of rotating electrical machines.

A one-stop solution for your requirements.

High quality. Best Value. Real Partners.
